

HD quality video over existing analog coax cable

The TruVision® DVR 15HD with HD-TVI cameras video kit from Interlogix is ideal for small retail stores, offices and residential installations. The kit provides a complete, cost-effective, HD-TVI surveillance solution that leverages existing coax cabling.

Available in 4- and 8-channel configurations, each kit includes four TruVision HD-TVI analog cameras and an HD-Hybrid recorder. The TruVision DVR 15HD is capable of converting from analog to IP, making this recorder a great option for retrofit and IP migration projects. Compatible with the free download TruVision Navigator VMS software, the DVR 15HD also allows users to access video on-the-go with the free TVRmobile app.

TruVision® DVR 15HD and HD-TVI Analog Camera Kits

- 3MPx quality video with the installation ease of analog
- Reduce cabling cost by using existing coax cable
- Easily add TruVision IP cameras to the same recorder
- 3-year warranty
