## WRR-5301/5301L

Wisenet WAVE Network Video Recorder

WRR-5301 series servers are Wisenet WAVE optimized 2U rackmounted Network Video Recorders capable of recording up to 470Mbps, managing up to 64TB of storage, and available in both Windows 10 IoT and Linux Ubuntu OS.

Each is pre-configured with Wisenet WAVE VMS and preloaded with 4 Professional licenses to ensure quick and easy deployment with minimum setup time.

## **Key Features**

- Preloaded and configured with Wisenet WAVE video management system
- Includes (4) four Wisenet WAVE Professional licenses
- 470 Mbps of recording throughput
- Up to 64TB internal storage
- Redundant 800W power supply
- Includes USB mouse and keyboard
- Includes a sliding rail kit
- Includes front bezel with lock
- Supports Wisenet and ONVIF conformant IP cameras
- Available in Windows 10 IoT Enterprise and Linux Ubuntu 16.04 LTS
